GHA occupancy standard is two people per bedroom regardless of age or sex. Eligible families will be issued vouchers based on the PHA's subsidy standards. Units shall be occupied by families of the appropriate size (revised 2/10/2010)

**NOTE:** You may rent a larger unit, as long as the unit is within your family's unit eligibility amounts. For example: If a family receives a one bedroom voucher, the family may rent a two bedroom unit.

Reasonable accommodations may be given to families that qualify under fair housing (disabilities act). Required documentation MUST be accompanied with your request, PHA will verify before approving.
